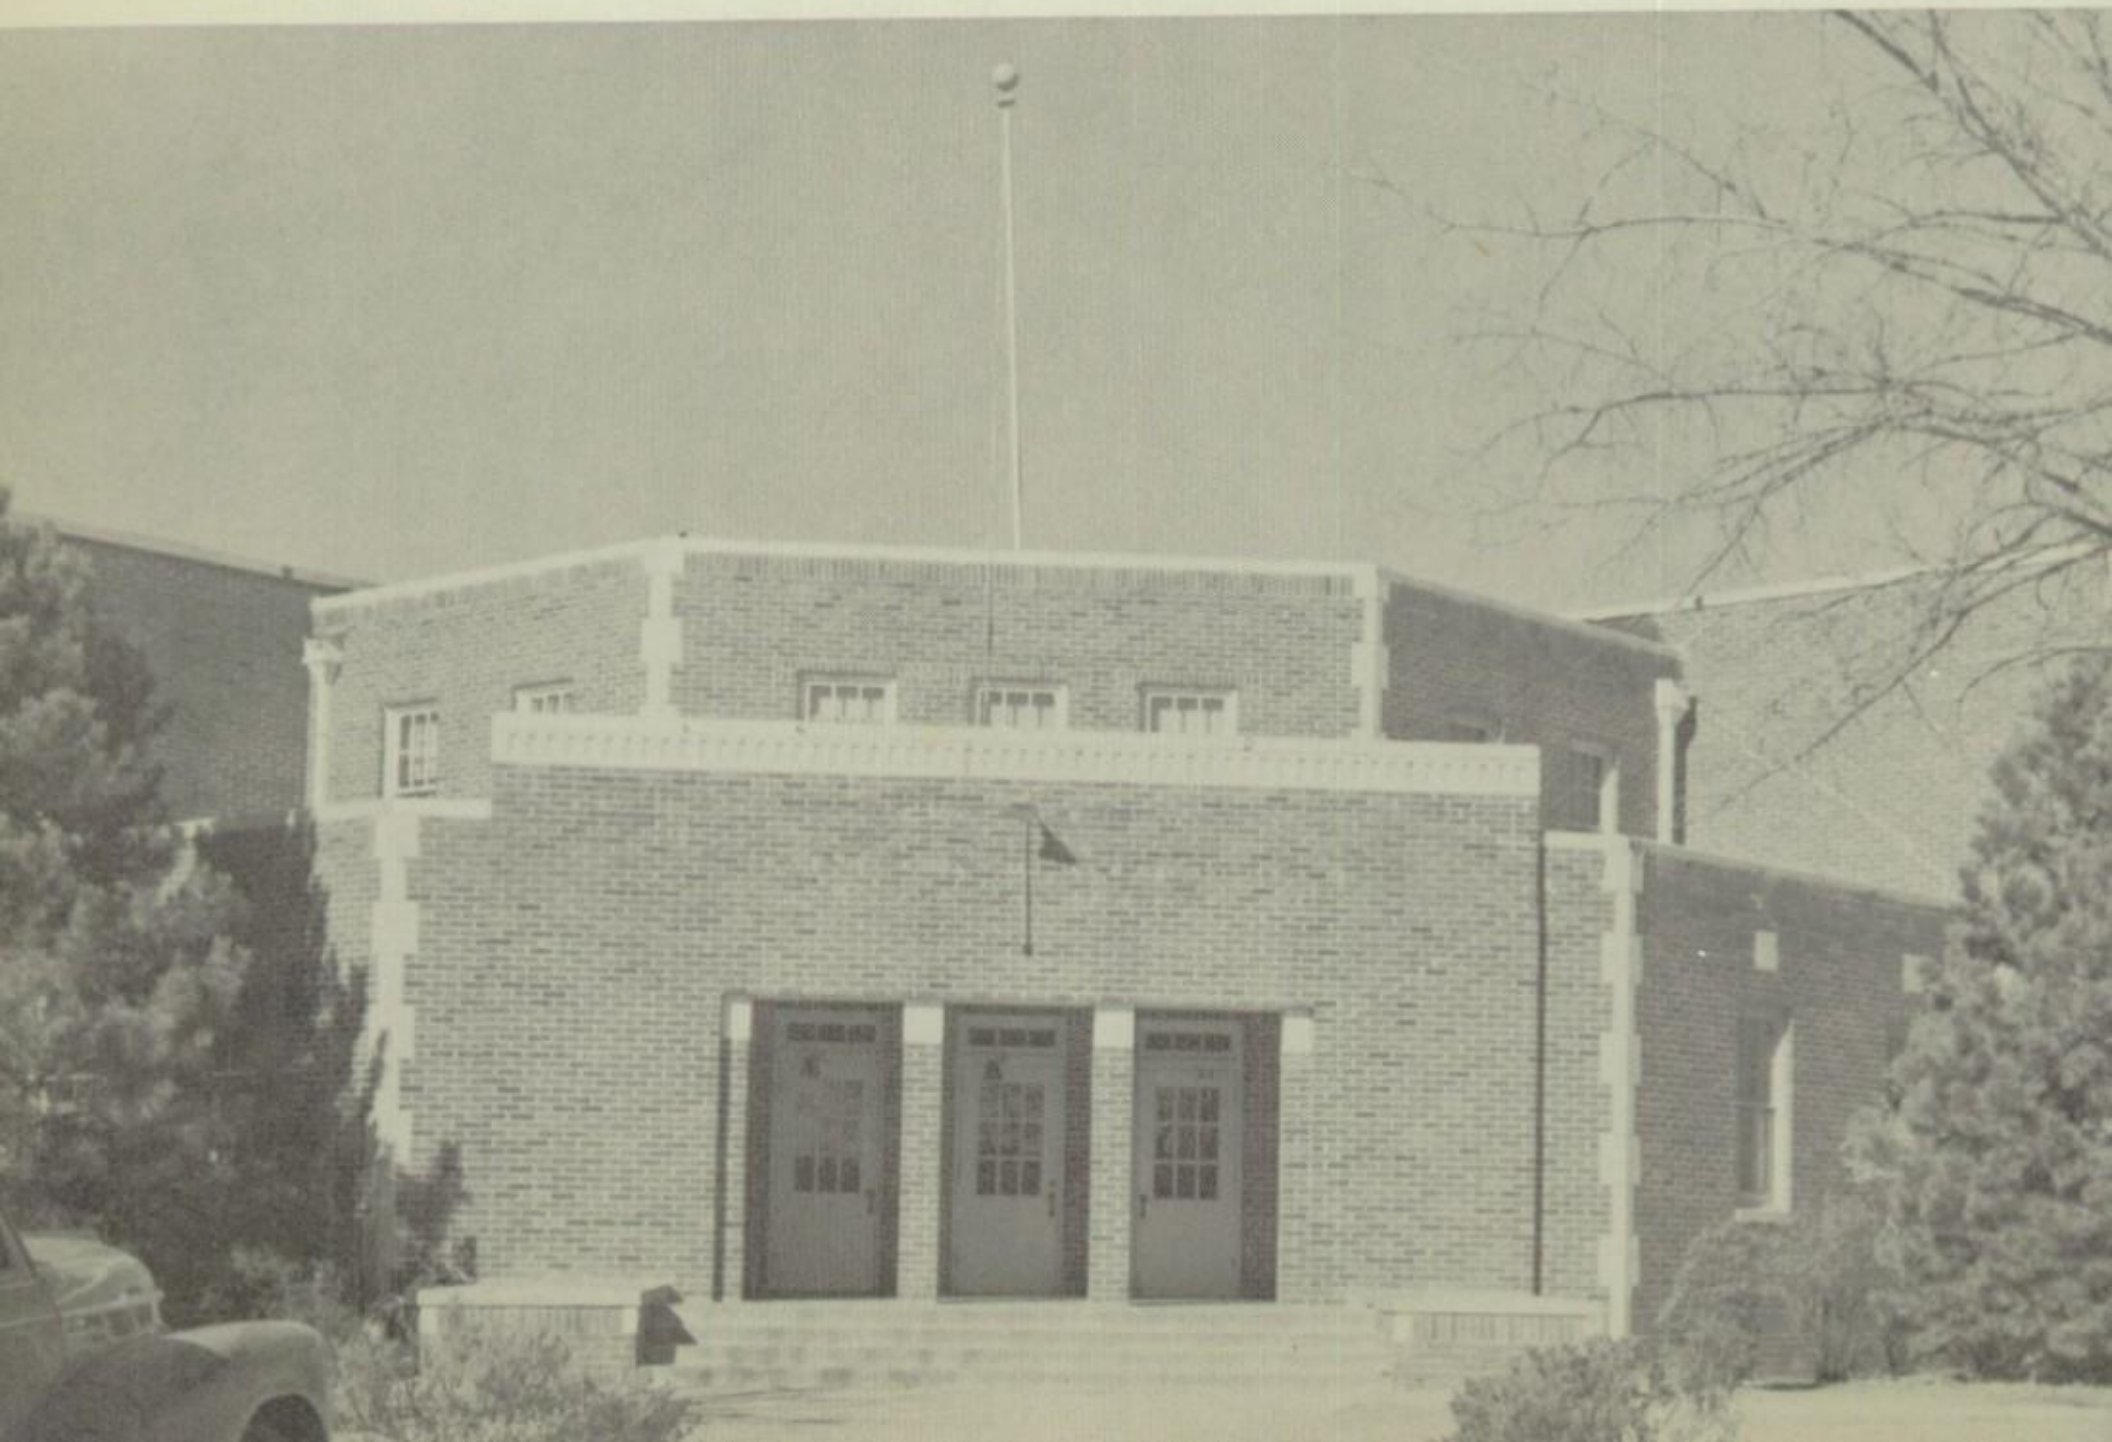
School Song

Bethany High School spirit is the best,
We'll put it up against the hardest test.
We're always striving for the very best,
We're always striving for the tip-top
of the crest;
And when we play a game, it's on the
square,
We show our sportsmanship by playing fair,
And where the students are, the spirits there,
We're always all for Bethany High, Rah Rah!!

Bethany High School



Dedication

In appreciation the Annual Staff dedicates the Broncho of 1953 to certain people of the community. These certain people are those who have made the project pictured on this page possible; who buy advertisements in our annuals, on our class play programs, our football programs, and support our band; who attend our various functions, particularly those where we charge admission. This they do willingly because they are for a better Bethany High School and Community, even though they already support us through their taxes.

Harry L. Edwards - Superintendent

Mr. Edwards received the title of Superintendent of Bethany High School in 1948. He received his B. S. degree at Northwestern of Alva and his M. A. at the University of Colorado. Mr. Edwards has been a favorite of the students because he was always around with a helping hand when needed. Our principal and superintendent, by working together have made our school what we think is ideal.

Administration

Mr. Harper became principal of Bethany High School in 1950. He has proved to be an irreplaceable person. He seems to always have time to discuss the problems of his students as well as perform his duty as principal, and also coach our basketball team, which we consider as the best. During his administration he has been largely responsible for many of the improvements around our school. He received his B. A. at Bethany-Peniel College and his M. S. at Oklahoma A. & M. College.

The annual staff has worked untiringly to present a satisfactory annual, and many hours of work were necessary before it was completed. This year the annual was sponsored by Mr. Harper, and it is only through his guidance that it was so successful. We hope this annual will hold many pleasant memories for you.

ANNUAL QUEEN CAROLYN

First Row: Leota Weiszbrod, Lindell Martin, Bonita Chinn, Myrna Jahde, Virginia Willaimson, Wanda Sloan. Second Row: Jeanette Robinson, Barbara Kiesling, Ramona Smith, Lois Phillips, Doris Homer. Third Row: Esther Olive, Shirley Fain, Gail Hoover, Darla McIntyre, Janelle Hickey, Betty McGinty, Va Leta Parrish, Mrs. Shannon.

The office girls' duties are: answering telephones, typing letters, running errands, etc. They are always striving to be helpful as well as to gain experience for the future. They are greatly appreciated by the faculty as well as the student body.

Office and Library Staffs

Charles Hoover, Jo Dale Bowlin, Phyllis Fisher, Louise Sires, Charlene Lunsford, Mrs. Neely.

The Library Staff has proved helpful to Mrs. Neely as well as the student body. Its members receive little credit in return for giving so much of their time to help us in our studies. They are always on duty checking out books and keeping the library in good shape.

BHS SENIORS TOUCHDOWN!

In 1949 the freshman hit good old B. H. S. We entered into high school with a spirit of enthusiasm for all its activities. For a while there was a mad scramble getting settled and calmed down, but the teachers finally succeeded in taming us.

There were a few events that we will never forget, such as our initiation and freshman parties. We happily greeted the end of the school year because we had completed our first and hardest year of high school. The memories of our freshman year will always remain.

In our sophomore year we were back and ready to try again. Our first achievement was the initiation of the freshmen, which we enjoyed very much. We were very honored in having several queen candidates chosen from our class, and we also became active in politics and sports. By the end of the year we were well established in high school.

Our Junior year proved very eventful. Our first football team was established during this year with many in our class participating. Our Junior play also proved very successful by giving us a needed start on our Senior class fund. We experienced something new by choosing The Mardi Gras as a theme for our Junior-Senior banquet. By the end of our Junior year we were eagerly looking forward to our final year in high school.

Our Senior year finally arrived, and in a few days we were proudly showing our new class rings. In numerous class meetings we decided on Colorado Springs as the destination for our Senior trip, then we all became busily engaged in making money for one of the most exciting projects of our school years.

Another highlight of our Senior year was our Senior Play which was our biggest project in raising money. This being our last year of high school we can proudly present an excellent record in our school activities as well as our scholastic standing. All through the years we have looked forward to graduation, but now that it has finally arrived, we realize that our high school years can never be replaced.

We wish to say thanks -- thanks . . . to those who have made our education possible, especially the teachers who have spent many hours in preparation and study. We wish also to thank Mr. Peterson and Mrs. Butler for giving us their time and energy in making our Junior and Senior years a success. Our goal would not have been obtained had it not been for Mr. Edwards and Mr. Harper who have graciously given us their guidance and co-operation.

Wherever or whenever there is a ball game, or a contest, the B.H.S. Band will probably be near by to give its support. The band is one organization that is fully active during the entire school year.

Our band got under way the first day of school and hustled into shape along with the football team. After cheering those boys through a very successful season, the pep band played at all the boys' home basketball games and some of the out-of-town games.

The band put on its annual Coronation Concert on February 26. Once again the auditorium of B.H.S. swelled with the traditional strains of Medallion as the new Queen Carol marched down the aisle to take her place as reigning queen for the 1953 school year.

Mr. Dillon joined the teaching staff of Bethany High School in 1951. In these two years he has made many remarkable changes in the band and glee club, besides making many good friends. He holds a Bachelors of Music degree from the University of Oklahoma and a Masters of Music Degree from the University of Southern California. On top of all the extra curricular activities Mr. Dillon has had to attend with the band, he has still found time to compose and arrange some of his own music. The Annual Staff of 1953 wishes to thank Mr. Dillon for his help and co-operation in advancing the Music Dept. of Bethany High School.

Coach Willie Edwards started his first season at Bethany with the determination of building a football team capable of proving itself one of the best in the state.

After many hard practices, Coach Edwards and line coach, Mel Ross, had the team running a new formation which they hoped would prove very successful in the coming season.

The Bronchos, wearing their new uniforms for the first time, opened the season with a game against their arch rivals, Putnam City.

After closing the season with Tecumseh, the records show six wins and four losses.
